"This is NOTHING like canned creamed corn! My husband is not a fan of corn or creamed dishes, but he thinks this is great. Easy and quick to prepare and is an especially delicious side dish for chicken or pork. Everyone always asks for the recipe."

INGREDIENTS:

2 (10 ounce) packages frozen corn kernels, thawed	pepper
1 cup heavy cream	2 tablespoons butter
1 teaspoon salt	1 cup whole milk
2 tablespoons granulated sugar	2 tablespoons all-purpose flour
1/4 teaspoon freshly ground black	1/4 cup freshly grated Parmesan cheese

DIRECTIONS:

1. In a skillet over medium heat, combine the corn, cream, salt, sugar, pepper and butter. Whisk together the milk and flour, and stir into the corn mixture. Cook stirring over medium heat until the mixture is thickened, and corn is cooked through. Remove from heat, and stir in the Parmesan cheese until melted. Serve hot.
